KEY TAKEAWAYS

- **Semi-detached flipped to a Seller's market:** MOS dropped 3.1 → 2.9 — tightest segment in the city; its \$400K–\$500K band sold 51% of stock.
- **Condos still the only Buyer's market at 5.3 MOS**, but improving — eased from 5.7 on more sales (334 vs 328).
- **City-wide inventory contracted again:** active listings down 293 to 5,936, sales flat at 1,666, MOS down to 3.6.
- **Sales velocity cooling seasonally:** August averaged 54 sales/day, down from 64 (2025) and 70 (2024) — down 23% in two years.
- **Luxury condos remain frozen:** 22 active listings over \$1.5M, zero sales again; townhouse \$600K–\$700K sold briskly at 39%.
